Ramadan Countdown App

Prepare and Train for Ramadan

"The companions of the Prophet (pbuh) would prepare for Ramadan six months in advance."
–Are you ready?

Web & Mobile Application

## Less than 100 days left!

*http://publicrealm.net/ramadancountdown*

The Countdown Begins!

- Main focus is the days left until Ramadan
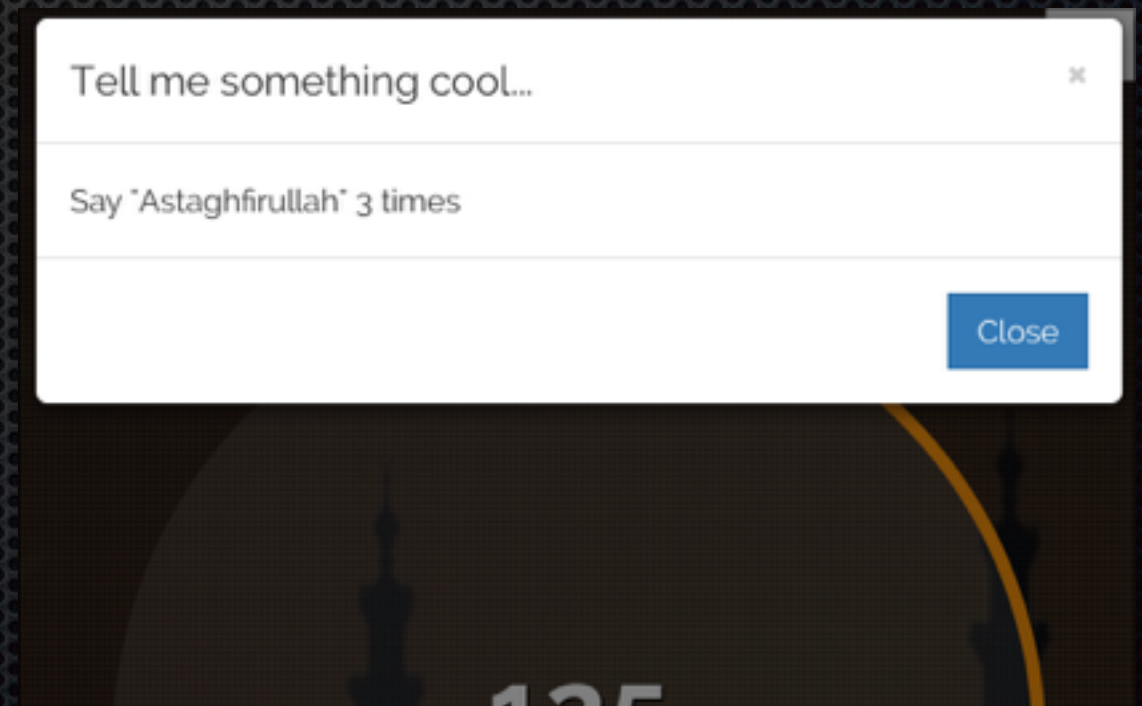

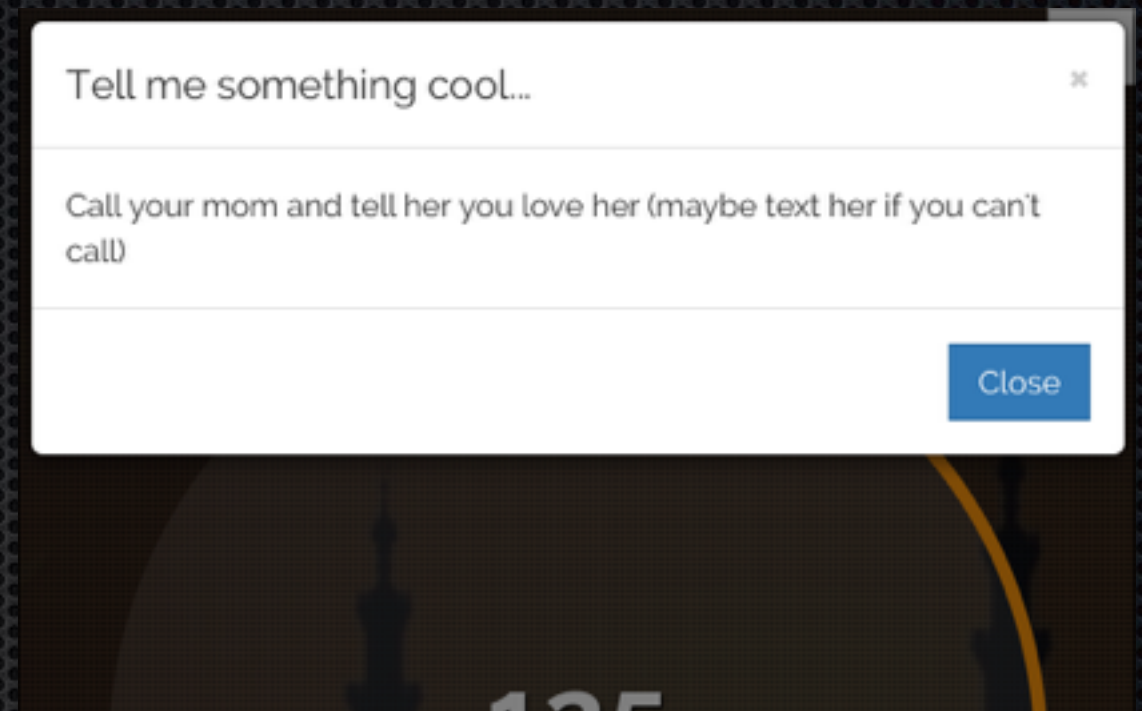

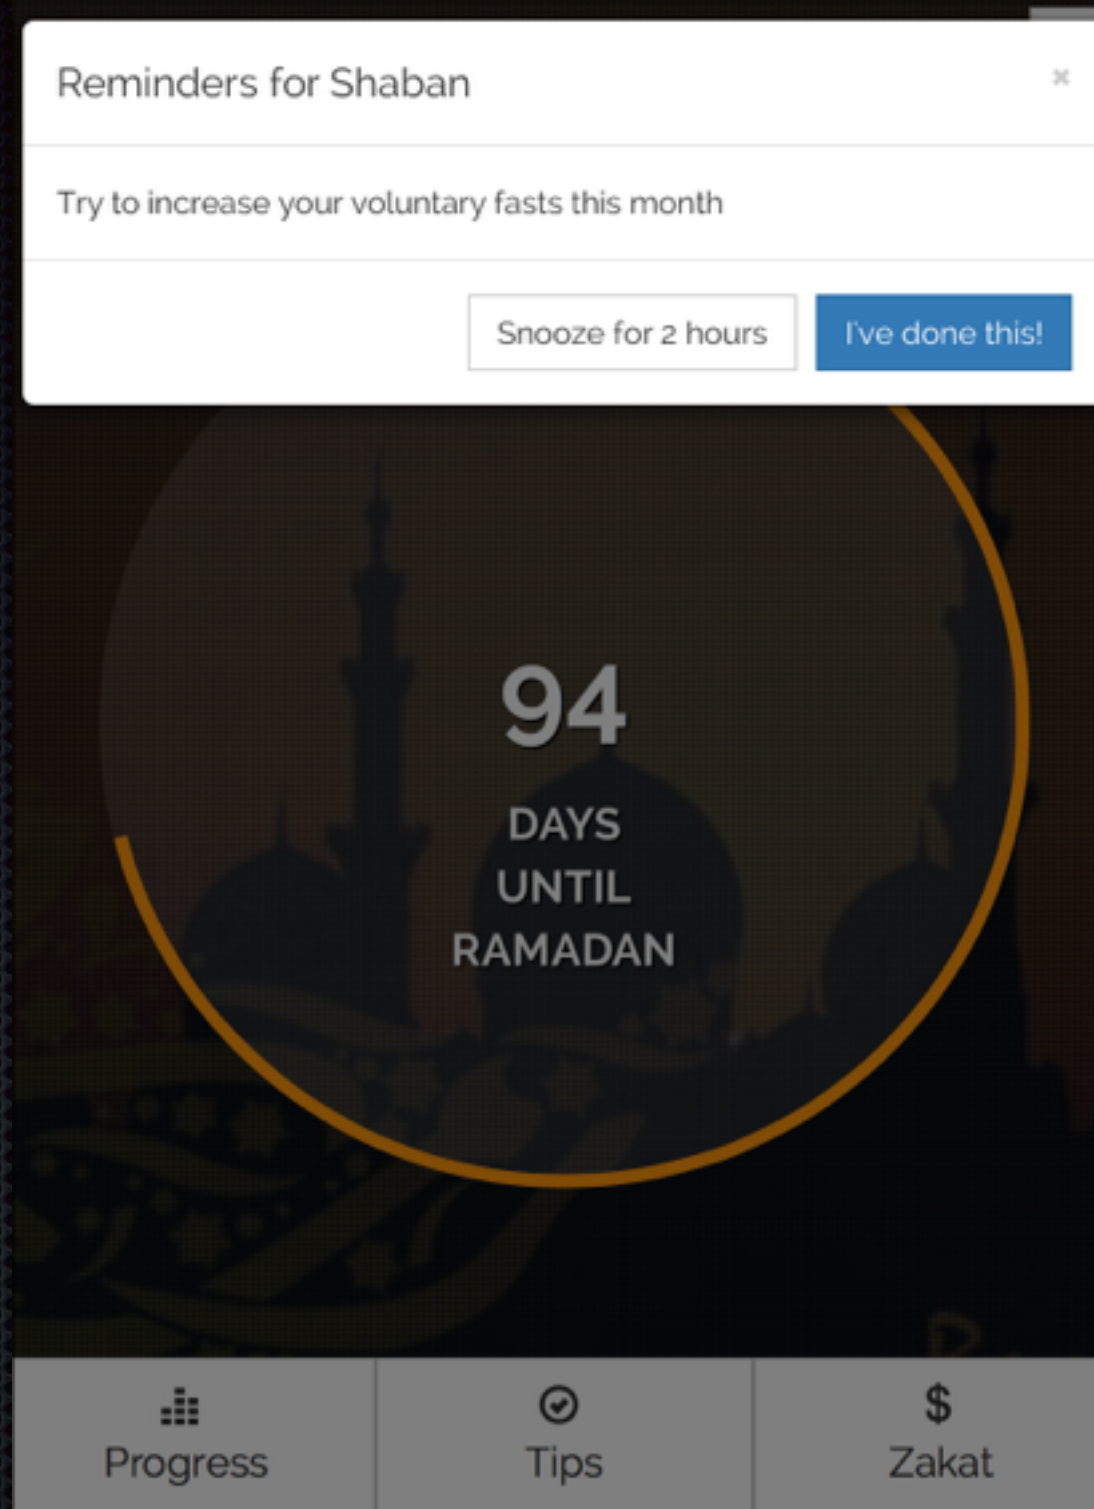

- Displays current Hijra date to give context

Track Your Progress

* The app will ask you if:

    * Read Qur'an?

    * Voluntary Fasting?

    * Voluntary Prayers?

    * Sadaqah?

* Reporting provides progress through the year

    * Ideal scenario is chart increases as it approaches Ramadan
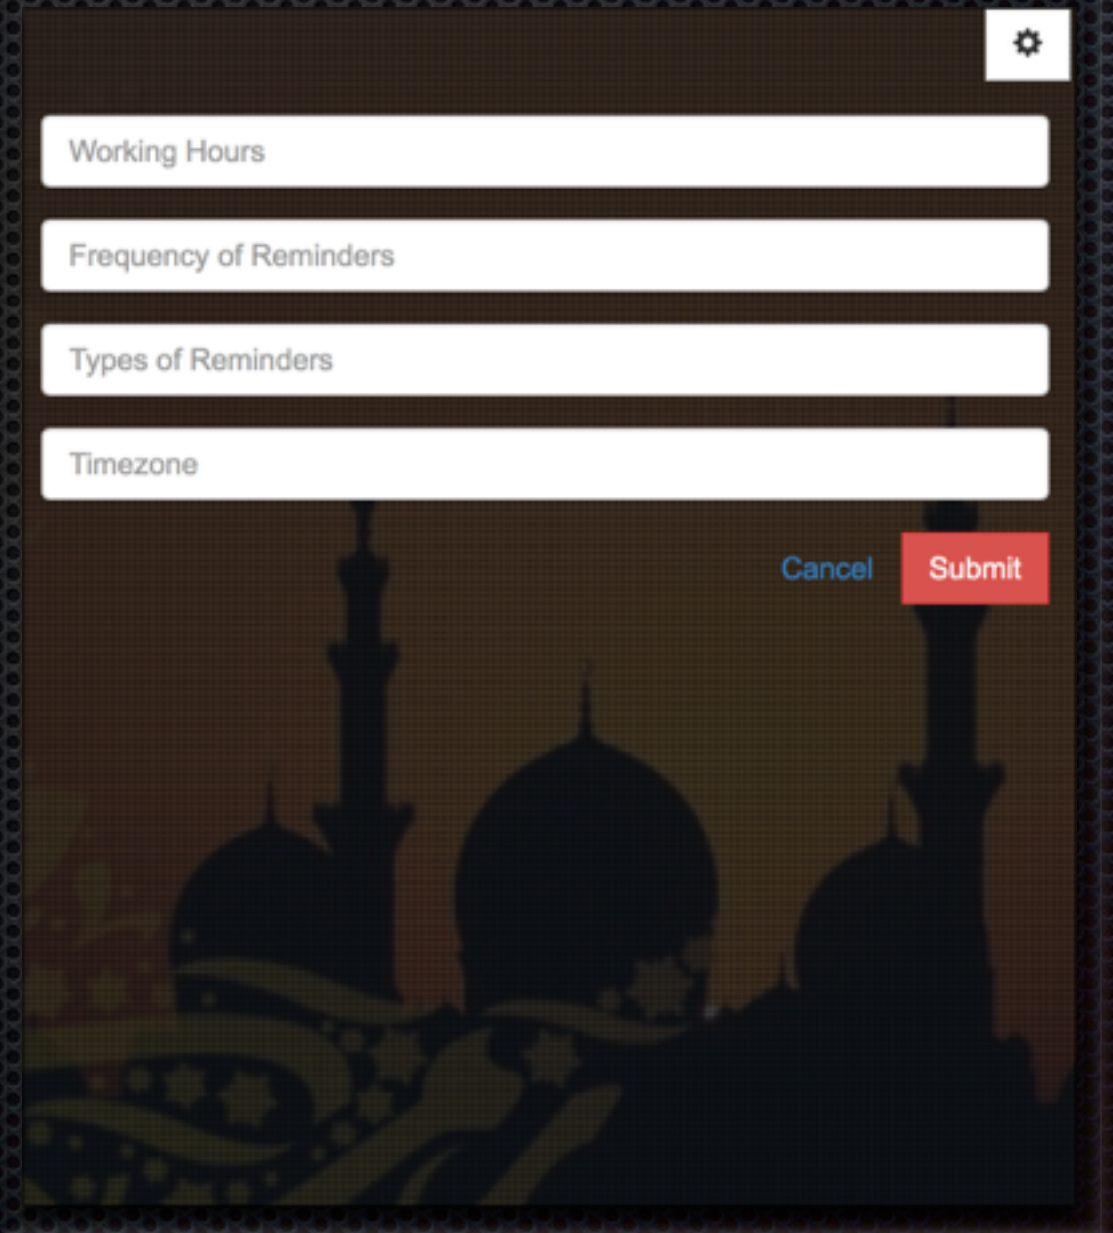

Notifications and Reminders

Reminders for Shaban

Try to increase your voluntary fasts this month

Snooze for 2 hours · I've done this!

Tell me something cool...

Call your mom and tell her you love her (maybe text her if you can't call)
